5.3 Frequency of meeting

Academic Council	Quarterly
Governing council	Quarterly
Board of Studies	Bi-annually

5.4 Organizational Chart

5.5 Nature and Extent of involvement of Faculty and students in academic aff

airs/improvements

Sri Ramachandra Faculty of Engineering and Technology reviews and revises the curriculum whenever required. Our students specialize in the area of Machine Learning, Data Science, Cyber Security, etc. The Board of Studies will review the curriculum and the committee is constituted comprising Faculty members from each of the major domain areas/specializations.

Apart from the above curriculum revision exercise, faculties are encouraged to develop and offer new elective courses for students. They also necessarily develop a course plan for their respective courses. Each faculty maps the course objectives with programme objectives, which are further mapped to its vision and mission. Students have to give feedback about the course curriculum necessarily. They are encouraged to offer constructive suggestions for improvements in any course.

5.6 Mechanism / Norms and Procedure for democratic / good governance

About Sri Ramachandra Faculty of Engineering and Technology

Sri Ramachandra Faculty of Engineering and Technology (SRET) was established in 2019 and is the new addition to SRIHER with a mission to promote excellence in engineering and technology education, to

prepare graduates to solve society's problems and to be at the forefront of innovation and applied research.

The unique aspects of the SRET programs are:

- First of its Kind in the Country
- Globally Benchmarked Curriculum
- All courses have 50% Practical Component
- BTech with 5 quarters of Internship in Industry
- Internship starts in the first year
- Preparation of graduates for Company Start Ups

5.7 Student feedback mechanism on Institutional Governance / faculty performance

Parents – Teachers Associations in every class / branch of study, the class committee of staff and students, college committee of senior professors and a disciplinary committee help smooth functioning of the college. They meet periodically, discuss, and decide on good governance and implementation. Feedback on faculty performance is collected from students. These forums also provided very purposeful feedback for analyzing and improving upon procedures.

5.8 Grievance redressal mechanism for faculty, staff, and students

The term of office of the Chairman / Members will be two years. The committee will enquire into complaints relating to grievances received from the staff, faculty and students. The committee will furnish its report to the undersigned for further action. All correspondence / papers relating to the subject matter will be treated as “Confidential”.
